

Call for Nominations to CCPN Board of Managers

We have had tremendous interest and response to Community Care Physician Network (CCPN) in our community. Pursuant to the CCPN Operating Agreement, because Community Care of Wake and Johnston Counties has more than 100 providers participating in CCPN (to date, 52 practices and 142 providers), **we are now eligible to nominate an individual participating in CCPN to serve on the CCPN Board of Managers.** The current Board of Managers consist of:

1. L. Allen Dobson, Jr., MD, Family Medicine, President of CCNC, Inc., Mt. Pleasant
2. Deborah Ainsworth, MD, Pediatrician, President of NC Pediatric Society, Washington
3. Thomas White, MD, Family Medicine, Past President of the NC Academy of Family Practice, Cherryville
4. Stephen Hsieh, MD, Internal Medicine, Lexington
5. Greg Adams, MD, Pediatrician, Boone
6. Terry Daniel, MD, Family Medicine, Eden
7. Ted Nifong, MD, Family Medicine, Winston-Salem

At least 75% of the Managers shall be participating physicians. Since all current Managers are physicians, there is the possibility of a non-physician serving as a Manager. Each Manager is entitled to one vote. The initial term of additional Managers is expected to be three years, subject to Member approval. The Board of Managers shall have general discretion, power, and authority to manage, control, administer, and operate the business and affairs of CCPN and to make decisions affecting such business and affairs. The Board of Managers also oversees the CCPN Committees. Standing Committees consist of: 1) Quality Improvement and Performance; 2) Finance; 3) Data and Technology; and 4) Compliance. Currently meetings are held on the third Friday of every month. These can be calls or in-person, if possible. Email updates occur in-between meetings. Special meetings may be called, on occasion, if needed to address CCPN business.

If you would like to submit a nomination (yourself or a colleague), please submit to Elizabeth Tilson, MD, MPH at btilson@wakedocs.org, Fax 919-510-9162, or mail 4207 Lake Boone Trail, Ste 100, Raleigh, NC, 27607

1. The name of the nominee, professional credentials and roles
2. A CV and Biosketch of the nominee
3. A brief statement of why the nominee would like to serve and what the nominee could contribute to the CCPN Board of Managers and CCPN as a whole.

Nominations will be accepted October 3rd through October 28th, 2016. Submitted nominations will be reviewed by a 5 member Nominating committee made up of Wake County Medical Society Community Health Foundation (CCWJC) Board members and Participating CCPN Providers. Criteria for evaluating potential nominees will be determined by the nominating committee and may include such factors as size of Medicaid population served in the practice, level of engagement with CCWJC activities, evidence of leadership or involvement with colleagues and professional activities. **If you would like to serve on the Nominating Committee**, please let Elizabeth Tilson know. Selected nominees will then be sent out to all Wake and Johnston CCPN providers for a vote. The winning nominee will then be submitted to the CCPN Board of Managers for consideration of approval.
